# INSTRUCTIONS

1. Laminate first page and attach to a wall or door. Stick 1 side of a velcro tape on each box.
2. 2nd page onward contains the detachable and reusable parts of this calendar. Cut the dotted lines and laminate each piece.
3. Attach the other side of a velcro tape at the back part of the individual pieces.
4. Change the elements according to the current date and weather.
5. Enjoy!
